

## INDEX

### A

ACCESS project 92

Access to services 87-96, 186-191

Accident and Emergency 69, 71-73

Acupuncture 8

Adherence to medication, see medication compliance

Advance directives 107

Advocacy 41-47, 87-88, 160, 206

Agoraphobia 51, 200

Alcohol abuse  
see also substance abuse 134, 197-200

Alternatives to admission 107-121

    Assertive community treatment 92, 107-109, 163

    Community residences 110-113

    Crisis services 116-119

    Day services 93, 114-115, 121

    Home treatment 115-116, 118

    Partial hospitalisation 120-121

Anorexia nervosa 135-136, 139  
see also eating disorder

Antenatal support 17-20

Antidepressant medication 8, 13, 140, 144, 153, 181, 185

Antipsychotic medication 38, 194, 180, 182, 198, 228

Anxiety 5, 7, 14-15, 24, 26, 37, 51,  
143-145, 147, 184, 199, 200, 229

Anxiety disorder 5, 7, 37, 51, 143-145, 199, 229

Art therapy 8

Assaulted staff action programme 167, 240

Assertive community treatment 92, 107-109, 163, 180

Assertive outreach 109, 164

Assessment of needs, see needs assessment

Assessment of risk, see risk assessment

Attendance prompts 49

Attention training 154

Autogenic training 14

### B

Behavioural problem 16

Behavioural therapy 5-8, 138, 142-147, 153, 200, 225  
see also psychological therapy

Bibliotherapy 6-8  
see also psychological therapy

Binge eating disorder 5-6, 135, 139, 142  
see also eating disorder

Bipolar disorder 76, 110  
see also depression

Bulimia nervosa 5-6, 135, 139, 141-132  
see also eating disorder

### C

Care in the community, see community care

Care plan 170-171, 173, 201

Care programme approach 47, 123, 159-160, 213, 241

Carers/caregivers 52-54, 202, 222

Case load 162

Case management 51, 95, 108, 159-164, 200

Case manager 51, 91, 161, 164

Child and adolescent mental health services 189, 203, 215-218

Child care workers 217

Children 16, 19, 21-24, 30, 157, 216-217, 224

Children with mentally ill family 213-218

Clinical audit 250

Clinical bridging strategies 186

Clinical governance 250

Clozapine 198, 228  
see also medication

Cognitive behavioural therapy 5-8, 138, 142-147,  
153, 200, 225  
see also psychological therapy

## INDEX
